

Help Dedicate “Nowling Family Pavilion” and Improve the Muni “Brick by Brick”

One of the two last projects Bob Nowling completed at Peru Municipal Golf Course before retiring after twenty-five years was to construct water drainage ditches on several holes. Even though we had the wettest April-Mays in recent history and the golf course was very wet, the Muni did not experience the “temporary ponds” that it had in the last few years.

The other project was to build a much needed pavilion next to the club house. Many golfers and golfing organizers did not realize that Bob had purchased two tents with his own money for golfers and outings to use for the last several years.

We would like to show our appreciation to the Nowling family (Bob, Janice, Sean, and Michael) for their many years of promoting golf in the Peru area and specifically for their twenty-five years of dedication to the Peru Municipal Golf Course and the Peru community

You can help with this dedication, “Brick by Brick.” The plan is to make a few improvements to the new pavilion with your donations and dedicate it to the Nowling Family with a golf outing. The plan, depending on the money raised, is to make the following additions to the pavilion:

- 1) Signs on both ends of the pavilion naming it “Nowling Pavilion”
- 2) A plaque dedicating the pavilion to the Nowling Family
- 3) A brick patio on either the north or east side using your personalized messages on the bricks
- 4) A charcoal grill to be located in or around the pavilion
- 5) Drop down tarps for the south side to be used in case of bad weather
- 6) Electricity added to the pavilion for lights and outlets for carry-in meals

You can help with the dedication with your appreciative donations:

\$30 One personalized brick

\$50 Two personalized bricks

\$100 Three or Four personalized bricks

\$200 Black Granite personalized memorial 12" by 20"
