ORDINANCE # 30 - 2023

**AN AMENDED ORDINANCE REPEALING ORDINANCE NO. 23, 2013, AND
INSERTING IN ITS PLACE A NEW SCHEDULE OF RATES AND CHARGES
FOR SERVICE PROVIDED BY THE MUNICIPAL SEWAGE WORKS
UTILITY OF PERU, INDIANA**

WHEREAS, the City of Peru has heretofore constructed and has in operation a sewer system for the purpose of collecting and treating wastewater; and

WHEREAS, the City of Peru has heretofore authorized the construction of certain improvements to be paid by the proceeds of a revenue bond issue for the collection, treatment, and disposal of wastewater under the provisions of Chapter 284 of the Acts of the General Assembly of the State of Indiana for the year 1967; and

WHEREAS, the municipally owned sewage works utilities in the Peru Municipal Sewage Works Utility service area has been exempted from the jurisdiction of the Utility Regulatory Commission pursuant to I.C. §36-7-30-33; and

WHEREAS, the existing rates and charges for services provided by the utility do not produce revenues sufficient to maintain the utility property in a sound physical and financial condition and such the current rates and charges are not “reasonable and just” within the meaning of I.C. 8-1.5-3-8; and

WHEREAS the City of Peru Utility Service Board commissioned a study to determine the amount of revenues required to operate the Peru Municipal Sewage Works Utility in a reliable and efficient manner, determine how the revenues shall be collected from the various users of the Peru Sewage Works utility and to design new rates and charges that reflect the results of said study; and

WHEREAS, the proposed rates and charges are in all respects reasonable and nondiscriminatory and will provide sufficient revenues to pay all the costs associated with the operation, maintenance, and system improvements of said Peru Municipal Sewage Works Department; and

WHEREAS, the City of Peru Utilities Service Board has passed Resolution # _____, 2023 recommending certain rates and charges and service conditions; and

WHEREAS, this ordinance is introduced and pursuant to I.C. 8-1.5-3-8.1, a notice of a hearing setting forth a proposed schedule of fees has been published in accordance with I.C. 5-3- 1; mailed to owners of vacant or unimproved property; and

WHEREAS, the Common Council has held a public hearing pursuant to I.C. 8-1.5-3-8 at which users of the Peru Municipal Sewage Works Utility, owners of property served or to be served by the utility, and other interested persons have been allowed to be heard concerning the proposed rates and charges. The Common Council finds the rates and charges described in Section 1 are nondiscriminatory, reasonable, and just; and

WHEREAS, the Common Council also finds the rates and charges produce income in sufficient to maintain the utility property in a sound physical and financial condition to render adequate and efficient service.

NOW THEREFORE, BE IT HEREBY ORDAINED BY THE COMMON COUNCIL OF THE CITY OF PERU, INDIANA, That:

Section 1: All rates and charges collected pursuant to this ordinance shall be considered revenues of the Peru Municipal Sewage Works Utility. The sewage works rates and charges shall be based on the quantity of the sewage works used on or in the property or premises subject to such rates and charges, as the same is measured by the water meter there in use. For the purpose of billing and collecting the charges for sewage works services, the water meters shall be read monthly (or period equaling a month), if the utility cannot access the meter remotely. The sewage works usage schedule on which the amount of said rates and charges shall be determined as set forth in “Exhibit A,” attached hereto, and made a part hereof and incorporated herein by reference. Further, all ordinances and parts of ordinances in conflict herewith are hereby repealed.

Section 2: The rates and charges as set forth in “Exhibit A” shall be subject to review and adjustment using the process as set forth in “Exhibit B”, attached hereto, made a part hereof and incorporated herein by reference.

a. The review and adjustment shall be performed annually; and

- b. It shall be the responsibility of the Peru Utility Service Board to perform the review and adjustment calculations as required in this Section 2; and
- c. The adjusted rates and charges shall be submitted to the Peru Common Council for approval; and d. Rate increases implemented under this Section 2 shall not exceed 1.5% per year.

Section 3: This Ordinance shall be in full force and effect beginning January 1, 2024.

CITY OF PERU COMMON COUNCIL

ORDINANCE 33- 2023

AN ORDINANCE TO AMEND ORDINANCE IN CHAPTER 90

WHEREAS, the City of Peru Plan Commission has request amendments to the Zoning Code and has caused public notice to be placed in the Peru Tribune,

WHEREAS, Chapter 90 of the City of Peru Code of Ordinances shall be amended to reflect necessary changes,

WHEREAS, it is in the best interest of the City of Peru, that Chapter 90 of the City of Peru Code of Ordinances be amended to reflect necessary changes,

NOW THEREFORE, BE IT HEREBY ORDAINED BY THE COMMON COUNCIL OF THE CITY OF PERU, INDIANA, That:

1. It is in the best interest of the City of Peru to amend Chapter 90 of the City of Peru Zoning Code of Ordinances and add Chapter 90.20-90.24 Chickens.

2. To reflect the necessary amendments to Chapter 90 of the City of Peru Code of Ordinance Book, said Section shall now read as follows:

90.20 CHICKENS

(A) Permit For Coop/Run/Flock must be obtained prior to commencement of building a Flock or Coop.

(B) All Flocks that exist within the city prior to this enactment must apply for a permit and be inspected and approved.

(C) A Chicken is a gallus domesticus, a domestic bird typically kept on a farm. This definition does not include other fowl, such as, but not limited to, peacocks, turkeys, geese, quails, or other waterfowl.

(D) There shall be no more than 1 bird per 2,000 sq ft of land A MAXIMUM OF 8 and a minimum lot size of 16,000 sq ft to allow for 8 birds. NO ROOSTERS ALLOWED.

90.21 Permit requirements

(A) Applicant cannot be in code violation and must remedy such violations as noted by inspection before permit will be granted.

(B) No Chickens will be allowed in multi-family homes such as apartment buildings and/or duplexes.

(C) No Chickens will be allowed on residential rental properties.

(D) A flock must be maintained in accordance with all applicable nuisance, noise, and animal control ordinances including but not limited to animals running at large.

(E) All feed must be kept in a sealed metal storage container that protects against rodents and vermin.

(F) The Chickens must be kept in a coop from sunset to sunrise.

(G) A flock may only be located on a lot on which the homeowner resides. (H) The coop must be in a rear yard surrounded by a fully enclosed fence (waiver or variance for unusual

circumstances where owner has no fence, but no neighbors are affected example yard surrounded by natural barriers). Refer to §151.080.

(I) Chickens will be required to be in an enclosed coop and run even with a fence surrounding the yard to prevent escape and predator attack and to keep in compliance with animal at large ordinance.

(J) All who keep a flock of chickens are expected to keep their flock in a manner that is clean and sanitary in order to not pose a public health risk or a public nuisance. The chicken coop and run must be kept clean, dry and odor free. The coop, run and surrounding area must be free from trash, clutter and accumulated droppings.

(K) Waste shall either be composted with carbonaceous material such as hay, bedding, or leaves and located twenty (20) feet from all adjoining property lines or stored in a sealed container until it is removed from the property.

(L) Coops must be secure and properly ventilated to house chickens from the elements. The run must be secured from predators and provide adequate amounts of sun and shade. Chickens must have access to water and food.

(M) NO Free Ranging Chickens. Chicken “tractors” (a mobile enclosure) are allowed only with direct supervision for short periods of time less than 12 hours, and never overnight. This is to allow use for pest control in the yard such as crickets grasshoppers etc. and cannot violate setbacks meaning you cannot graze your chickens close to the property line if it violates the 12 ft setback).

(N) Chickens are to be used for personal use only, no commercial sale of eggs or meat shall be permitted. Regular butchering of chickens is not permitted. THE STATE BOARD OF HEALTH ALLOWS HOME SLAUGHTER FOR PERSONAL USE ONLY BUT THIS ORDINANCE IS ONLY INTENDED TO ALLOW CHICKENS FOR EGG LAYING PURPOSES. COOP SETBACKS AND SIZE RESTRICTIONS

(O) Coops must be located a minimum of 20 feet away from human occupied dwellings and a minimum of 12 feet away from any neighboring property not owned by applicant. If located on a corner lot, the coop must still maintain a 12 ft setback from sidewalk and have a visual barrier a minimum 4 ft. high. Refer to §151.080.

(P) A visual barrier must surround the coop and run that is at least 4 feet high if the coop and run are visible to occupants of neighboring lots.

(Q) Coops and runs must be in a fixed location. After applying for a Reinspection Permit the structure can be moved and Reinspected.

(R) A coop can be a maximum of 8 ft tall and 50 sq feet in dimension and must be attached to a fully enclosed run. Coops should have at least one nesting box 12"x 12" x 12" and raised off the floor of the coop per 4 birds.

(S) A coop must be a minimum of 4 sq. ft. per bird. Each chicken must have a minimum of 12 sq. ft. of run space. The maximum size of the run and coop cannot violate setbacks from property line or dwellings.

(T) The design of the coop and run must have wire mesh no larger than 1" by 1" with the mesh being buried at least 12 inches below grade to protect the chickens from predators that dig. Additionally, the top of the run must be covered with wire mesh no larger than 1" x 1" to protect the chickens from predator birds, foxes, coyotes, and dogs.

90.22 COMPLIANCE

(A) Coop/Run and Permit will be inspected and renewed annually to ensure compliance.

(B) Funds gathered from the permit will be used to maintain animal control facilities that may be impacted by the enforcement.

(C) A permit shall be revoked if a permittee is issued citations for any violation of this chapter, during a rolling 12-month period.

(D) Permits must be displayed on the coop at all times.

(E) Applicants must read and sign that they have read and understand all penalties associated with these ordinances before they are granted a permit.

(F) If a person has had a history of violating similar ordinances or any ordinances that have had a harmful effect on the neighborhood and surrounding properties, they will not be granted a permit.

(G) It shall be the condition of this issuance of any permit required by this chapter that:

(1) The Code Enforcement Officer and/or his/her designee shall be permitted to inspect the structure and/or premises wherein a chicken flock is maintained, or

believed to be maintained, at reasonable times to inspect.

(2) All reports of such inspections shall be in writing and maintained by the Code Enforcement Division.

90.23 APPLICATION FOR REGISTRATION

(A) Applications for a permit to harbor a chicken flock shall be made by the owner of the property to the City of Peru Animal Care and Control Department and shall include: (1) The name, address, and telephone number of the applicant;

(2) The description (breed, sex, age, and coloration) of each chicken in the chicken flock;
This helps should the chicken accidentally escape get picked up by animal control.

(3) A statement indicating whether the applicant has ever been convicted of the offense of cruelty to animals or ever cited for or convicted of a local unit of government's animal control or care ordinances.

(4) The permit to harbor a chicken flock shall not be transferable to another person or to another location.

(5) No applicant shall harbor more than one chicken flock within the city;

(6) If the applicant withholds or falsifies any information on the permit application, no permit shall be issued, and any permit previously issued on false or withheld information shall be revoked; and fined.

(7) An application for a permit shall be made prior to the harboring of any chickens or the creation of any chicken flock or chicken coop.

(8) All permits shall be conditioned upon a passing inspection by director of Animal Care and Control and staff animal control officers of the city and/or their designees and compliance with this chapter; and

(9) Director of animal care and control and staff animal control officers may refuse to grant or renew a permit and may revoke a permit if applicant/harbored is unable to maintain his/her flock so as to not create a nuisance, as evidenced by three (3) admitted or judicially determined violations of this chapter within twelve (12) consecutive months; and

(10) No person previously convicted of cruelty to animals shall be registered or issued a permit without prior review by the animal control commission.

90.24 FEES AND PENALTIES

(A) Application fee, re-application fee and renewal fees will be \$70.00. Initial inspection, reinspection and renewal are included in the application, reapplication, and renewal fees. (B) Any person, group of persons, partnership, or corporation who violates any provisions of this chapter, shall be subject to a civil penalty of \$100.00 for the first offense, \$250.00 for the second offense, and \$500.00 for third offense. At the third offense the owner will be required to dispose of their flock and disassemble the coop and runs.
