City of Peru Sidewalk Rebate Program Application

LEGAL

As the property owner,

_____ I understand and agree that any and all local, state and federal ordinances, law or regulations must be followed on all work performed within the scope of work to be reimbursed with rebate funds.

_____ I understand that all contracts for work are strictly between myself, the property owner, and the contractor performing the work.

_____ The City of Peru has, in no way, induced me to use any specific contractor and I have, under my own voluntary and free will, selected the contractor of my choice.

_____ I understand that ALL inspections shall be conducted in accordance with standard established procedures and appropriate City of Peru ordinances.

_____ No work shall proceed, on any part of the previously agreed upon area of replacement as indicated by each successive inspection without first obtaining the signature of the appropriate inspector on the approved form(s). Doing so shall void the rebate agreement.

_____ There will be no changes to this sidewalk project, original application, scope, and/or agreed upon submitted plans.

_____ Should extenuating or unforeseen circumstances mitigate the original agreement, a minimum of 48-hours notice must be given to the Building Department or agent to address the situation.

City of Peru

Sidewalk Rebate Program

Information Sheet

The City of Peru offers a Sidewalk Rebate Program to assist property owners in the improvement of sidewalks. The City of Peru helps with removal of existing sidewalks, including disposal as well as provides property owners a rebate on their investment.

REQUIREMENTS:

- Completion of the Sidewalk Rebate Program Application.
- Proposed area marked in white paint.
- Sidewalk removed to agreed dimensions.
- Forms erected in accordance with submitted drawing.
- Excavated area shall be filled and compacted with limestone chips to within **four (4) inches** of finished height (shall be **six (6) inches** wherever crossing a driveway).
- Concrete shall consist of a five (5) bag mix with fiber added.
- Expansion joints shall consist of $\frac{1}{2}$ " thick pre-formed material and installed where:
 - New sidewalk abuts to an existing sidewalk, driveway, or curb.
 - Every fifty (50) feet in sidewalks that are in excess of one hundred (100) feet in length.
 - In the middle of a sidewalk less than one hundred (100) feet in length.
- **NEW SIDEWALK SHALL NOT CREATE ANY TRIP HAZARD WITH ADJACENT/ADJOINING AREAS.**
- Scored construction joints $\frac{3}{4}$ " deep every five (5) feet of length.
- All work must comply with ADA requirements.
- Surface finish shall consist of a light broom finish applied from side-to-side of the sidewalk.
- All forms and debris shall be removed and site clean-up completed.
- **Completed inspection form MUST be submitted to Building Department for reimbursement consideration.**

FREQUENTLY ASKED QUESTIONS:

Do I have to use a contractor registered with the City? YES, unless you are performing the work yourself.

How do I get a list of registered contractors? You can request a list at the time you pick up your application OR request a list via email to rdausch@cityofperu.org

How do I obtain an application for the program? Download application from the City of Peru website or pick up from the City of Peru Building Department located at 35 S Broadway, Peru, IN.

When can I expect reimbursement from the program? Typically, thirty (30) days after your fully completed inspection form has been received by the Building Department.

How can I get an inspection? Call the Building Department at 765-473-4881 to schedule an inspection.

How long will it take to get the old sidewalk removed? A two (2) week notice to the Building Department is required to allow scheduling of demolition and removal of the existing sidewalk by the City of Peru.

If I have more than one lot, are they all eligible? Each separate, taxable parcel would be eligible for consideration.

How much money can I get? You will be reimbursed at a rate of \$2.50 per square foot up to a maximum of 1500 square feet or \$3,750 (whichever is less)
